Waiver Regarding Blood Draw and Testing

I understand that I am scheduled for an ultrasound and possible blood draw. I further understand that certain labs process certain genetic testing, which may not be contracted with my insurance, and that it is my responsibility to contact my insurance company to find out if this lab is in my network. I have requested medical services from Southern Colorado Maternal Fetal Medicine on behalf of myself and/or my dependents, and understand that by making this request, I become fully financially responsible for any and all charges incurred in the course of the treatment authorized that are not covered by my insurance plan.
